

FORT GORDON TOWN HALL

As part of continuing efforts to improve sharing of information of interest to the Fort Gordon community, and enhance installation services, U.S. Army Garrison, Fort Gordon, will host two installation-wide Town Hall Forums on Thursday, 9 December 2010 at Alexander Hall. This is a great opportunity for community members to gain insight to new and enhanced services, and interact with the Garrison's decision makers and related service providers.

Content will include highlights of military capabilities, Family readiness, community relations, and contributions of Fort Gordon to the Central Savannah River Area (CSRA). The Forums will consist of informational displays, reading materials covering a wide range of military capabilities, a question and answer period, and various speakers. Each of the two forums addresses a particular constituent group and helps to ensure that those who work and live on the installation have a chance to attend:

Forum One (2:30-4:00PM)

Audience: The Fort Gordon Workforce (both Military and Civilian)

Forum Two (6:00-7:30PM)

Audience: Fort Gordon Residents and Families

Your Input is important

If you have a question or concern that you would like addressed at the forum, please fill out the **Gordon Town Hall Solicitation Form** in a PDF or MS-Word format by clicking on the corresponding icon links below:

Return completed surveys to:

PAIO, (IMSE-GOR-PAI)
Room 362, Bldg 33720, Darling Hall
Fort Gordon, Georgia
or via email: GORD.BEHEARD@conus.army.mil

DEADLINE: The deadline for submitting questions and concerns will be 4:00PM, 29 November 2010.

Due to time constraints and dependent upon the number of Town Hall responses received, it is possible that some issues might not be addressed at the Forums. However, all responses will be reviewed and forwarded to the appropriate service provider.
